## DID YOU KNOW THAT ...

- ...the three countries bordering Lake Constance are Germany, Switzerland and Austria, but the lake does not belong to any of them?
- ...the world's largest floating stage is in Bregenz? Every two years - when the play being performed changes - the lake stage undergoes a complete transformation.
- ...Lake Constance is 63 kilometres long, 14 kilometres wide and 254 meters deep?
- ...Europe's narrowest house is in Bregenz, Austria? The facade is only 57 cm wide - unbelievable!
- ...Lindau is home to the only lighthouse in Bavaria and thus Germany's most southern?
- ...the contact agency for incoming inquiries for the Lake Constance region is called **„Bodensee Trips & Tours"?**
