

5 Reasons to travel Switzerland by public transport

A scenic view of a Swiss lake with a train passing on a bridge in the foreground and mountains in the background. The lake is calm, reflecting the surrounding landscape. The mountains are covered in dense forests with some autumn-colored trees. The sky is filled with soft, white clouds. A red and white train is visible on the right side of the image, crossing a bridge over the lake.

There are countless reasons
why you would want to visit Switzerland

But only 5 main reasons why you should
discover Switzerland by train, bus and boat

. the view

Majestic peaks, picturesque valleys and everything in between: Discover the most breathtaking landscapes from the comfort of your seat.

the reliability

reach the

Welcome aboard the world's densest network of public transportation. With over 29'000 kilometers of interconnected routes, we'll make sure you get exactly where you want to be.

A high-angle, wide shot of a lush green mountain valley in Switzerland. A red and white Swiss Federal Railways (SBB) train is traveling along a track that curves through the valley. The surrounding landscape is filled with dense evergreen forests and rolling green hills. In the distance, more mountains are visible under a clear sky. The overall scene conveys a sense of natural beauty and sustainable travel.

the sustainability

Traveling Switzerland by train, bus, boat
and other modern public transportation
means less impact on the environment –
without sacrificing comfort.

A scenic view of a Swiss lake at sunset. In the background, dark, silhouetted mountains rise against a soft, orange-hued sky. A large, multi-decked steamship with a red Swiss flag is moving across the water, leaving a wake. The ship's decks are lit up, and its reflection is visible on the rippling water. The overall atmosphere is peaceful and picturesque.

the ticket
