5 Reasons to travel Switzerland by public transport

. the view

Majestic peaks, picturesque valleys and everything in between: Discover the most breathtaking landscapes from the comfort of your seat.

the reliability

Punctual, predictable and with synchronized timetables, Switzerland's public transport ensures you get wherever you want to go – whenever you want to be there.

reach the

Welcome aboard the world's densest network of public transportation. With over 29'000 kilometers of interconnected routes, we'll make sure you get exactly where you want to be.

the sustainability

Travelling Switzerland by train, bus, boat and other modern public transportation means less impact on the environment – without sacrificing comfort.

A scenic view of a Swiss lake at sunset. In the foreground, the water is dark blue with gentle ripples. In the middle ground, a white boat with a red Swiss flag is moving across the water, leaving a wake. The boat has a black smokestack and is lit up with warm lights. In the background, dark mountains are silhouetted against a bright orange and yellow sunset sky.
