VIEWING EXPERIENCE ON BOARD THE MS SCHWABEN

IN WITH THE NEW ON THE MS SCHWABEN

Experience our classic cruise ship all over again – since Easter 2018 the completely renovated centrepiece of our white fleet, the MS Schwaben, has been resplendent in the Art Deco style of the 1930s and offers plenty of nostalgia and indulgence.

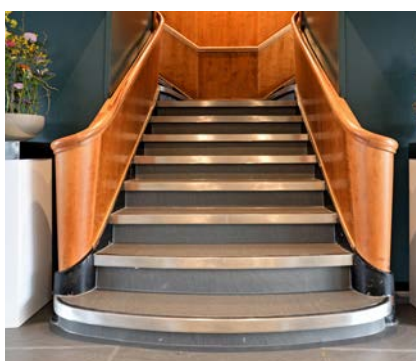

Be enchanted and celebrate the modern charm of this classic ship with us. We'll take you on a journey that encompasses Dixie Swing, bold history and sumptuous delicacies.

Each deck is different

The most visually astonishing aspect is the new design of the various decks and the restaurants they contain. Each deck has its own colour scheme, with petrol, ocean blue and mustard yellow as the typical shades. The ship even has its own specially designed lighting concept. Geometrically abstract shapes, gentle curves and elegant contours have all been incorporated into the overall design – these were strong influences during the ship's construction period. Additional features include custom furniture, lounge chairs, ceiling lights and ceiling frescos. Our passengers will thus find themselves in a veritable oasis of comfort. The ship is used throughout the season in regular scheduled lake traffic. Our sales team will be happy to arrange an enjoyable cruise for you aboard the MS Schwaben.
