Experience pleasure and culture in four countries

Food culture has shaped the landscape of the region around Lake Constance. Fruit- and wine-growing in particular are traditional here.

On this tour the “green gold” (hops) can be found in the region, with a visit to the hops trail and museum in Tett nang and you can visit the New Castle in Tett nang characterised by four different epochs either individually or during an entertaining visit accompanied by ladies and gentlemen in baroque costumes.

In Feldkirch, Austria, you can enjoy regional delicacies during a “Schnabulieren & Degustieren” tasting while in the Principality of Liechtenstein, you prepare the traditional “Käsknöpfle”.
