Four Countries, One Lake,
Endless Christmas

Christmas on Lake Constance

Lake Constance is a Christmas paradise, with traditions, customs and culinary delights from Germany, Austria, Switzerland—and the Principality of Liechtenstein! Festively decorated cities in all four countries illuminate the shores. The many Christmas markets lure visitors lakeside, to our beloved islands, between snowy mountain peaks and in baroque castles.

The lake that carries the sugary scents of waffles and cinnamon is the same on which white passenger ships sail back and forth connecting visitors to different Christmas markets around the Bodensee.

Regional hotels offer Christmas specials, fulfilling your winter holiday wishes in the four-country region.

Kässpätzle, Kässpätzl, Käsknöpfle, Chäschnöpfli ... they all mean the same thing ... more Cheese Dumplings, please!

The delicious dish made from flour, fresh eggs, herbs and cheese has a different name on almost every Christmas market on Lake Constance. Why is that? Well, Cheese Spaetzle is not just cheese spaetzle! In each country, this typical dish is prepared a bit differently: In Liechtenstein, the Käsknöpfle are served with fresh applesauce. In Switzerland and Austria, a blend of three or four mountain cheeses plays an important role in this recipe topped with crispy onions. And the German side is particularly proud of their Swabian spaetzle. Order up and dig in!

Christmas Specialities from four Countries

Christmas is a special time for enjoyment ... on that we can all agree. As spiced mulled wine fills the crisp air, the village people are busy cooking and baking your favorite holiday treats. And despite the close proximity of Germany, Austria, Switzerland and the Principality of Liechtenstein to each other, each country is proud of their own traditional Christmas specialties, so it's a good idea to visit as many holiday markets and festivities as you can.

Specialities Everyone Must Try!

Germany

- » Schupfnudeln (finger-shaped potato dumplings)
- » Dinnele/Dinnete/Dünnele (thin-crust flatbreads with different savory toppings)
- » Winzerglühwein (hot mulled wine from the winemaker sweetened with sugar and aromatic spices)

Austria

- » Heiße Maroni (hot, roasted chestnuts)
- » Käseknödel (soft cheese dumpling)
- » Glühmost (delicious hot apple cider drink)
- » Riebel (savory or sweet polenta dish that's also vegetarian)

Switzerland

- » Biber from St.Gallen (gingerbread treats made from honey and filled with marzipan)
- » Raclette and Fondue
- » Nusstorte Nut cake (looks more like a pie with a dense nutty filling and a buttery, flaky crust)
- » Glühbier "Heißer Schütz" from St.Gallen (hot spiced beer)

The Principality of Liechtenstein

- » Käsknöpfle mit Apfelmus (cheese dumplings with apple sauce)
- » Ribel (warm polenta dish with milk, cream, sugar or also made with sour cheese)
- » Tatsch mit Kompott (mini pancakes served with warm fruit preserves)
